**REMARKS**

Claims 1-20 are pending in the application, of which Claims 1-19 stand rejected.

***Telephone Interview of October 4, 2006***

Applicant thanks the Examiner for her participation in the telephone interview of October 4, 2006, with the undersigned attorney. During the interview, Applicant's attorney and the Examiner discussed the fact that pending Claim 20 was not addressed by the Office Action of July 13, 2006. Also discussed was the 35 U.S.C. § 103 rejection of the claims under the Hunt reference (U.S. Patent No. 6,142,982). Hunt had been cited by an Office Action in the parent case of the present application (see *Office Action of December 5, 2001*; U.S. Application Serial No. 09/545,339). In the parent case, the reference was withdrawn following the submission by Applicant of a Declaration stating that Hunt and the invention were commonly owned by the Applicant's assignee at the time the invention was made (See *Response to Office Action of April 23, 2002*; U.S. Application Serial No. 09/545,339). A copy of the Declaration filed in the parent case is enclosed.

During the telephone interview, the Examiner indicated that another Office Action would be issued following Applicant's submission of this After-Final Response. In accordance with the agreement reached during the interview, and for the reasons stated above, Applicant respectfully requests withdrawal of all rejections under 35 U.S.C. § 103 involving Hunt and requests that Claim 20 be examined.
